

I benefit from listening to XM Satellite Radio and its traffic and weather channels.

Satellite radio provides variety and quality that are not available ANYWHERE . I PAY for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I DO NOT WANT to see XM radio turn into CABLE TV with 100 channels of GARBAGE!

I Respectfully urge you to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that you demand and deserve.
